

2009-10 Austin Peay Coaches vs. Cancer Three-Point Attack

Join Austin Peay head coaches Dave Loos and Carrie Daniels and the Governors and Lady Govs basketball teams in the Coaches vs. Cancer® program.

Coaches vs. Cancer® is a nationwide collaboration between the American Cancer Society and the National Association of Basketball Coaches. The initiative leverages the personal experiences, community leadership and professional excellence of basketball coaches nationwide to increase cancer awareness and promote healthy living through year-round awareness efforts, fundraising activities and advocacy programs. Coaches vs. Cancer provides critical mission outreach, while raising funds in support of the Society's lifesaving cancer research, education, advocacy and community service efforts. Today, more than 500 Division I, II, and III college coaches are involved in the program, having raised more than \$30 million to support the American Cancer Society's lifesaving mission since its inception.

You can join our team by either pledging a specific amount for each three-point basket made or a one-time flat donation. Donations made to the Coaches vs. Cancer® program are put to work in our community and support the commitment of coaches Dave Loos and Carrie Daniels in the fight against cancer.
